STOCKPILE ISSUES FERROCHROMIUM AMENDMENT

Fort Belvoir, VA - The Defense National Stockpile Center recently announced that Amendment No. 008 to Solicitation of Offers, DLA-FERROCHROMIUM-004, BASIC ORDERING AGREEMENT (BOA) FOR FERROCHROMIUM has been posted to the DNSC web site. This amendment adds to the shopping list Somerville, NJ material which consists of 12 lots of drummed low carbon ferrochromium totaling approximately 364 short tons (727,479 pounds).

The amendment also refers to changes in payment due date, interest policies, and the online submission of quotes.

For copies of the amendment which adds material to the shopping list, material analysis, and storage locations please visit our web site: <https://www.dnsc.dla.mil>.

For other inquiries please call Angela Mattox at (703) 767-5515.
