**AMENDMENT NO. 001  
TO SOLICITATION OF OFFERS FOR FERROCHROMIUM  
UNDER  
DLA-FERROCHROMIUM-003**

The above referenced Solicitation for the sale of Ferrochromium is hereby amended to state the next offering date, update the listing of available material, revise terms as stated herein, and identify what certifications must be submitted with each offer. All revisions are hereby incorporated into the Table Of Contents and the body of the solicitation as appropriate.

1. Section **A.1 Introduction (NOV 98)** is hereby deleted in its entirety and replaced by the following:

**A.1 Introduction (JAN 01)**

- a. The Defense Logistics Agency (DLA), Defense National Stockpile Center (DNSC), is soliciting offers for the sale of approximately 31,699,266 pounds of low carbon ferrochromium {9,359.26 Short Tons (ST) or 6,533.30 ST Contained Chromium (Cr) stored in piles and 12,980,749 pounds (LBS) or 9,328,244 LBS Cr stored in drums} for one or more contracts with a contract period of up to 360 calendar days (see section **E.1.**). The offering will be held on **Tuesday, February 6, 2001, at 2:00 PM local time, Ft. Belvoir, VA.** Offers must be received at the address in Section **B.2.a.** by 2:00 PM, local time, Ft. Belvoir, VA. In the event that DNSC is closed at that time, offers for that day will be received at 2:00 PM, local time, Ft. Belvoir, VA, on the next DNSC business day.
- b. Offerors are advised to telephone the Directorate of Stockpile Contracts at (703) 767-6500 to ascertain the availability of material.
- c. Handling and outloading will be performed by and at the expense of the Contractor for the low carbon ferrochromium stored in bulk piles. For the low carbon ferrochromium stored in drums, delivery is F.O.B. carrier's conveyance. The Government will assist with outloading of the drummed material. (**See F.1.d and F.1.e.**)

2. Subsection **A.2 Description (JAN 95)** is deleted in its entirety and replaced by the following:

**A.2 Description (JAN 01)**

- a. The low carbon ferrochromium is stored in bulk piles and in drums at Curtis Bay Depot, Baltimore, MD. See Sections **I.2** and **J.1** for further description of the offered material.
- b. Government records indicate that the material conforms to the data provided in Sections **I.2** and **J.1**; however, no warranty or guarantee is made that the material so conforms or that it will be suitable for any particular purpose.

3. At Section **B.4 Pricing for Ferrochromium (DEC 99)**, revise the title to: **B.4 Pricing for Ferrochromium (JAN 01)** and delete paragraph a. and substitute the following paragraph a.:

- a. Prices for high and low carbon ferrochromium shall be expressed on the basis of chromium content. Prices for ferrochromium silicon shall be expressed on a bulk weight basis. However, in the event the material is sampled and analyzed by a DNSC approved sampler, the following testing and price adjustment methodology will apply to the material as indicated:

For Low Carbon Ferrochromium, test for Contained Chromium (Cr) and Carbon (C) only. Price will be paid based upon contained Chromium using the market indicator reflective of the C content. If C is equal to or less than 0.05%, then the published price for 0.05% Low Carbon Ferrochromium will be used for determining price (apply contractual discount to this published price). If C is greater than 0.05% but equal to or less than 0.10%, then the published price for 0.10% Low Carbon Ferrochromium will be used for determining price (apply contractual discount to this published price). If C is greater than 0.10% but equal to or less than 0.15%, then the published price for 0.15% Low Carbon Ferrochromium will be used for determining price (apply contractual discount to this published price).

4. At Section **B.5 Pricing for High and Low Carbon Ferrochromium (Formula Price Basis) (DEC 99)**, revise the title to: **B.5 Pricing for High and Low Carbon Ferrochromium (Formula Price Basis) (JAN 01)** and delete paragraph b.(2) and substitute the following:

(2) for low carbon ferrochromium, the prices will be based either on the 0.05% (stored in drums) or 0.10% (stored in piles) carbon content material.

5. In the following Sections, which only identify ferrochromium silicon as stored in drums, **add low carbon ferrochromium as an additional material to which the terms apply and revise all dates to (JAN 01) as shown:**

**Section C – Inspection (JUN 98)**, revise title and first sentence of paragraph a. Title is revised to **Section C – Inspection (JAN 01)**. Paragraph a is revised as shown below:

- a. For the ferrochromium silicon or low carbon ferrochromium, one drum from four (4) lots at each location(s) will be available for inspection and sampling.

Section **F.1 Request for Shipment (JUN 97)**, revise title to **F.1 Request for Shipment (JAN 01)** and change second sentence in paragraph a. to the following:

“For the ferrochromium silicon and the low carbon ferrochromium stored in drums, delivery is F.O.B. carrier’s conveyance.”

Section **F.4 Outloading/Weighing of Ferrochromium Silicon in Drums (JAN 95)**, revise title and paragraph a. Title is revised to **F.4 Outloading/Weighing of any Ferrochromium Material Stored in Drums (JAN 01)**. Paragraph a. is revised as shown below:

- a. The low carbon ferrochromium drums are stored on pallets at the Curtis Bay Depot, Baltimore, MD.

Section **F.5 Weight Discrepancy (JAN 95) (Applies only to Ferrochromium Silicon Stored in Drums)**, revise the title to: **F.5 Weight Discrepancy (JAN 01) (Applies to any Ferrochromium Material Stored in Drums)**.

6. Add the following new Section **F.9 Sampling of Material after Award (JAN 01)** to the Table of Contents and to the body of the solicitation:

**F.9 Sampling of Material After Award (JAN 01)**

- a. In the event sampling is desired under a resultant contract, the offeror shall submit the request for approval of its designated sampler/analyst with its offer or prior to the date and time set for best and final offers. If the sampler/analyst has not been previously approved, then a sampling plan developed by the sampler/analyst is also required.
  - b. Prior to commencement of sampling, ten (10) working days notice is required. Notice shall be in writing or by facsimile submission on company letterhead to the point of contact identified in Section **J.2 Storage Locations**. (Also see Section **C – Inspection**.) All material shall be sampled by a DNSC approved sampler/analyst at a mutually agreed upon location and analyzed by the approved sampler/analyst at the Contractor's expense. The approved sampler's/analyst's results shall be used for final payment purposes and for any price adjustments under the contract. Copies of all results shall be forwarded to the DNSC Quality Assurance Division. Results for drummed material shall be expressed to two decimal places, rounded, in accordance with standard procedures (eg. 0.045% to 0.054%=0.05%). Results for piles can be in either two or three decimal places.
7. All previous references to "Section **I.2 Item Offer Page - DLA-FERROCHROMIUM-003**", "Section **J.1 Ferrochromium Available for Sale**", and "Section **J.2 Storage Locations**" are hereby deleted and replaced by the references "Section **I.2 Item Offer Page- DLA-FERROCHROMIUM-003 (JAN 01)**", "Section **J.1 Ferrochromium Available for Sale (JAN 01)**," and "**J.2 Storage Locations (JAN 01)**," respectively.
  8. All previous Sections **I.2 Item Offer Page – DLA-FERROCHROMIUM-003, J.1 Ferrochromium Available for Sale**, and **J.2 Storage Locations** are deleted and replaced by the attached Sections **I.2 Item Offer Page – DLA-FERROCHROMIUM-003 (JAN 01), J.1 Ferrochromium Available for Sale (JAN 01)**, and **J.2 Storage Locations (JAN 01)**, respectively.
  9. Offerors shall acknowledge receipt of this Amendment by signing in the space provided on the following page and returning this form and the attached Sections **I.1 Sale of Government Property Negotiated Sales Contract (JUL 97), I.3 Certificate of Independent Price Determination (NOV 00)**, and **I.4 Certification Regarding Debarment, Suspension, Proposed Debarment, Environmental Compliance and other Responsibility Matters (JAN 01)** along with your offer on Section **I.2 Item Offer Page - DLA-FERROCHROMIUM-003 (JAN 01)** to:

**I.3 Certificate of Independent Price Determination (NOV 00)**

- a.** The offeror certifies that:
- (1) The prices in this offer have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other Offeror or competitor relating to (i) those prices, (ii) the intention to submit an offer, or (iii) the methods or factors used to calculate the prices offer;
  - (2) The prices in this offer have not been and will not be knowingly disclosed by the offeror, directly or indirectly, to any other offeror or competitor before offer opening (in the case of a sealed offer invitation) or contract award (in the case of a negotiated solicitation) unless otherwise required by law; and
  - (3) No attempt has been made or will be made by the offeror to induce any other concern to submit or not to submit a offer for the purpose of restricting competition.
- b.** Each signature on the offer is considered to be a certification by the signatory that the signatory:
- (1) Is the person in the offeror's organization responsible for determining the prices being offer, and that the signatory has not participated and will not participate in any action contrary to subparagraphs **a.(1)** through **a.(3)** above; or
  - (2) (i) Has been authorized, in writing, to act as agent for the following principals in certifying that those principals have not participated, and will not participate in any action contrary to subparagraphs **a.(1)** through **a.(3)**, above
- 
- (insert full name of person(s) in the offeror's organization responsible for determining the prices offer, and the title of his or her position in the offeror's organization);*
- (ii) As an authorized agent, does certify that the principals named in subdivision **b.(2)(i)** above have not participated, and will not participate, in any action contrary to subparagraphs **a.(1)** through **a.(3)** above; and
  - (iii) As an agent, has not personally participated, and will not participate, in any action contrary to subparagraphs **a.(1)** through **a.(3)** above.
- c.** If the offeror deletes or modifies subparagraph **a.(2)** above, the Offeror must furnish with its offer a signed statement setting forth in detail the circumstances of the disclosure.

If the Offeror deletes or modifies subparagraph (a)(2) above, the Offeror must furnish with its offer a signed statement setting forth in detail the circumstances of the disclosure.

**I.4 Certification Regarding Debarment, Suspension, Proposed Debarment, Environmental Compliance and Other Responsibility Matters (JAN 01)**

- a. (1) The Offeror certifies, to the best of its knowledge and belief, that -
- (i) The Offeror and/or any of its Principals -
    - (A) Are  are not  presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;
    - (B) Have  have not , within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property; and
    - (C) Are  are not  presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subdivision a. (1)(i)(B) of this provision.
    - (D) Are  are not  presently indicted for or otherwise criminally or civilly charged by a Federal, state or local entity with violation of any environmental laws;
    - (E) Have  have not  within the three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for violation of a Federal, state or local environmental statute or regulation.
  - (ii) The Offeror has  has not , within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

- (2) "Principals," for the purposes of this certification, means officers; directors; owners; partners; and, persons having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment, and similar positions).
- (3) If the Offeror answers affirmatively to anything in **a.(1)**, above, the Offeror shall include in its offer an explanation of the circumstances, including the outcome.

This certification concerns a matter within the jurisdiction of an agency of the United States and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under section 1001, title 18, United States Code.

- b.** The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- c.** A certification that any of the items in paragraph **a.** of this provision exists will not necessarily result in withholding of an award under this Solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.
- d.** Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph **a.** of this provision. The knowledge and information of a Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- e.** The certification in paragraph **a.** of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to the other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this Solicitation for default.
