AMENDMENT NO. 007  
TO DLA-FERROCHROMIUM SILICON-001  
SOLICITATION OF OFFERS  
FOR STOCKPILE FERROCHROMIUM

The above referenced Solicitation for the sale of Ferrochromium is hereby amended for the changes stated herein.

1. For this sale only, the solicitation is re-named DLA-LOW CARBON FERROCHROMIUM-001.
2. Amendments 001, 002, 003, and 006 apply to this sale and by signing this amendment, the offeror confirms acceptance (except as otherwise expressed in its offer) of this Amendment 007 and Amendments 001, 002, 003, and 006 as well as the basic solicitation.
3. The next offering time and date will be **10:00 AM local time, Ft. Belvoir, VA, Thursday, January 24, 2002.** Accordingly, paragraph a. of Section A.1 Introduction (OCT 01) is revised as follows:

**A.1 Introduction (JAN 02)**

- a. The Defense Logistics Agency (DLA), Defense National Stockpile Center (DNSC), is soliciting offers for the sale of approximately **11,705.53 short tons (ST) or 7,766 ST contained chromium (STCr)** of low carbon ferrochromium stored in a pile and stored in drums for one or more contracts with a contract period of up to 360 calendar days (see section E.1.). The offering will be held on **Thursday, January 24, 2002 at 10:00 AM local time, Ft. Belvoir, VA.** Offers must be received at the address in Section B.2.a. by 10:00 AM, local time, Ft. Belvoir, VA. In the event that DNSC is closed at that time, offers for that day will be received at 10:00 AM, local time, Ft. Belvoir, VA, on the next DNSC business day.
4. Section **B.4 Pricing for Ferrochromium (JUN 01)** is deleted in its entirety and the following Section **B.4 Pricing for Low Carbon Ferrochromium (JAN 02)** is substituted therefor.

**B.4 Pricing for Low Carbon Ferrochromium (JAN 02)**

- a. Prices shall be expressed as a dollar and cents value on a per pound contained chromium (LBCr) basis for drummed material or on a per Short Ton contained chromium (STCr) basis for the piled material.
- b. Offered price may be expressed on a fixed price basis if the contract period does not exceed 90 calendar days. (from the above).

- c. Formula prices are acceptable for any length contract period.
- d. The basis of the offered prices shall be identified as shown below:

Reference Publication: (Fill in either ***Platt's Metals Price Report*** or ***Ryan's Notes***);

Market Indicator: (Fill in the indicator reflective of 0.10% Carbon);

Premium or discount to market price: (Fill in either plus a percentage of market indicator or minus a percentage of market indicator);

Price: (Fill in the unit price which results from the above).

- e. In the event the material is sampled and analyzed by a DNSC approved sampler, the following testing and pricing methodology, using the publication chosen and identified by the Contractor and accepted by the Government, will apply to the material as indicated:
  - (1) Test for Contained Chromium (Cr) and Carbon (C ) only.
  - (2) Price will be paid based upon contained Chromium using the market indicator reflective of the C content.
    - (a) If C is equal to or less than 0.05%, then the published price for 0.05% Low Carbon Ferrochromium will be used for determining price (apply contractual discount or premium to this published price).
    - (b) If C is greater than 0.05% but equal to or less than 0.100%, then the published price for 0.10% Low Carbon Ferrochromium will be used for determining price (apply the contractual discount to this published price).
    - (c) If C is greater than 0.100% but equal to or less than 0.150%, then the published price for 0.15% Low Carbon ferrochromium will be used for determining price (apply contractual discount or premium to this published price) unless the published price for 0.15% is higher than the published price for 0.10%.
    - (d) In such cases where C is greater than 0.100% but does not exceed 0.150% and the published price for 0.15% is higher than the published price for 0.10%, use the published price for 0.10% for determining price but add an additional \$0.01 per pound to the contractual discount to calculate the final adjusted price for the material.
  - (3) Final price adjustment, as indicated in paragraph (2) above, shall be finalized and completed after final removal of material under the contract. Therefore, a single debit or credit under the contract shall be processed during the closeout process. Billing for each individual shipment shall be based upon the price determined at the time of the initial release based upon the Contractor's submission of current, accurate, and complete Shipping Instructions.

5. All references to Sections **I.2**, **J.1** and **J.2** for low carbon ferrochromium are superceded by the attached Sections **J.1**, **J.2**, and **I.2**, each re-dated (**JAN 02**).
6. Offerors shall acknowledge receipt of this Amendment by signing in the space provided below and returning this form and the following “**Submittals for Negotiated Offers**” found by clicking the “Getting Started” tab at the DNSC homepage on <https://www.dnsc.dla.mil>: Sections **I.1 Sale of Government Property Negotiated Sales Contract (JAN 01)**, **I.3 Certificate of Independent Price Determination (JAN 01)** and **I.4 Certification Regarding Debarment, Suspension, Proposed Debarment, Environmental Compliance and Other Responsibility Matters (JAN 01)** along with your offer on Section **I.2 ITEM OFFER PAGE – DLA-LOW CARBON FERROCHROMIUM-001 (JAN 02)** to:

Attn: DNSC-XO/Bid Custodian  
Defense National Stockpile Center (DNSC)  
8725 John J. Kingman Road,  
Suite 4616 (Mail) or Suite 4528 (Hand delivered)  
Fort Belvoir, VA 22060-6223  
Facsimile No. (703) 767-5541

Failure to acknowledge receipt of the Amendment may result in the offeror being ineligible for award. Except as provided herein, all other terms and conditions of DLA-LOW CARBON FERROCHROMIUM-001 (formerly DLA-FERROCHROMIUM-003) including Amendments 001, 002, 003, and 006 remain unchanged and in full force and effect. **Note** to all potential offerors under DNSC sales solicitations: If you have not sent your annual certifications and representations for all DNSC sales, please fax them immediately. These can also be found on the DNSC homepage as “**Certs & Reps.**”

**The index and the solicitation are hereby revised to reflect the latest editions and corresponding section numbers of all certification and representation clauses.**
